EVENT INFO

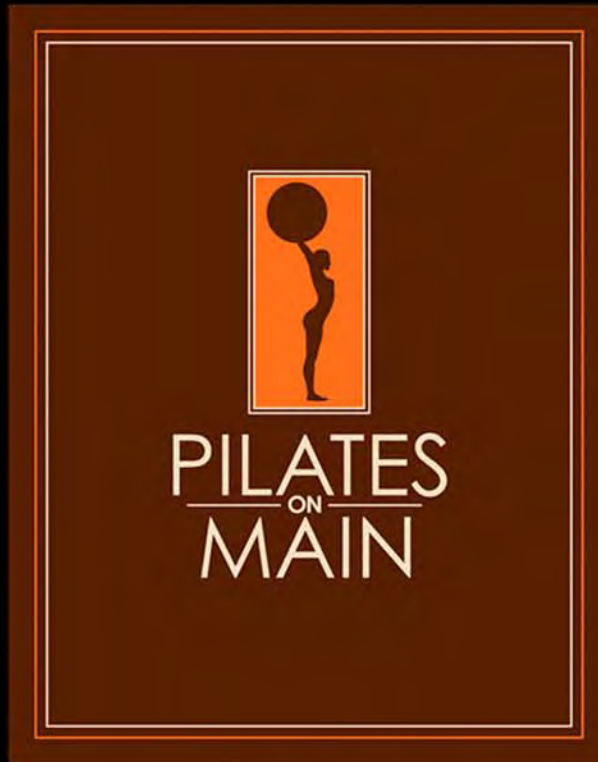

Entering it's 22nd year the Run For Education is not only a major fundraiser for El Segundo's K-12 public schools but is also one of the most unique USA Track & Field certified 5K/10K courses in Southern California. Featuring a picturesque coastal drive and a half of downtown El Segundo, as well as its neighborhoods and schools, it's small town Americana at it's best. The 5K Run/Walk is an easy to moderate hill course while the 10K Run offers a more challenging 2nd loop incorporating several downtown El Segundo and Grand Avenue's prominent hills.
